Mission Statement

The Junior League of Los Angeles is an organization of women committed to promoting voluntarism, developing the potential of women and to improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

The Junior League of Los Angeles reaches out to women of all races, religions and national origins who demonstrate an interest in and a commitment to voluntarism and to the community.

The Junior League of Los Angeles provides training opportunities to develop its volunteers through seminars, community service, leadership roles and mentoring in order to achieve its mission.

Women building better communities

Dear Gracious Angel,

In celebration of the holiday season we are offering you the opportunity to become an angel and continue to "Makes Lives by Giving." Our great City of Angels prospers and flourishes due to your time, dedication and spirit. Because of your commitment, women and children throughout this great city have hope and light in their lives. We now invite you to become an angel to someone who inspires you. We're inaugurating this new opportunity to give **in celebration of, in honor of or in memory of** those who make your life special.

Your contribution will not only change the lives of fellow Los Angelenos, but also the life of your angel recipient. Your designated angel will receive a card in recognition of your donation with detailed information about how your contribution changes lives in our city. Some examples of how you may change lives by giving:

\$50 may go towards the nutrition and well-balanced life of a child at Children's Institute, Inc., Torrance through our incubating Healthy Habits program.

\$100 may go towards career counseling information to a homeless woman through our "Saturdays for Yourself" program with the Downtown Women's Center.

\$250 may go towards nutrition and food for members of the Boys and Girls Club of Venice during their Annual Thanksgiving Dinner.

\$500 may go towards food baskets for the Done in a Day opportunity Holiday Food Program with One Voice, a community assistance program for families living at poverty level.

\$1000 may go towards the creation and nurture of a brand new community project to make a difference in the life of a homeless woman, abused child or countless other disadvantaged citizens.

Your generosity is much appreciated! Thank you for your thoughtfulness, time and spirit.
