Junior League of Los Angeles Headquarters (Rainey House) Visitor Policy

In order to ensure the safety of our members, staff, and Rainey House, the following guidelines will apply to all members and guests seeking to visit Rainey House:

JLLA Members:
Any JLLA member with a keycard may visit at any time. JLLA members are still encouraged to contact staff to inform them of a visit during normal business hours (Monday-Friday, 9 AM-5 PM, excluding holidays). JLLA members may bring guests, but must supervise their guests during their visit to Rainey House.

Any JLLA member who does not have a keycard may visit Rainey House during normal business hours (Monday-Friday, 9 AM-5 PM, excluding holidays), during all League-sponsored events and meetings held at Rainey House, and when accompanied by a JLLA member with a keycard. When planning to visit during normal business hours, a JLLA member should contact the Rainey House staff prior to arrival. JLLA members may bring guests, but must supervise their guests during their visit to Rainey House.

Members of Other Junior Leagues:
Members of other Junior Leagues are welcome to visit Rainey House. In order to visit, the member should contact the JLLA office prior to her intended visit to arrange a tour with a JLLA member or a member of the office staff. Once approved, a member from another Junior League may visit during normal business hours (Monday-Friday, 9 AM-5 PM, excluding holidays) to take a tour of the space. Members of other Junior Leagues should note that Rainey House is an office and meeting space and does not provide the amenities of a social club.

Non-Members:
Non-members may visit Rainey House with JLLA members or during JLLA events that are open to the public (for example, New Member Orientations or Public Policy Institute sessions). At staff discretion, non-members may receive a brief tour of Rainey House during normal business hours (Monday-Friday, 9 AM-5 PM, excluding holidays). At staff discretion, non-members may be denied entrance to Rainey House.
